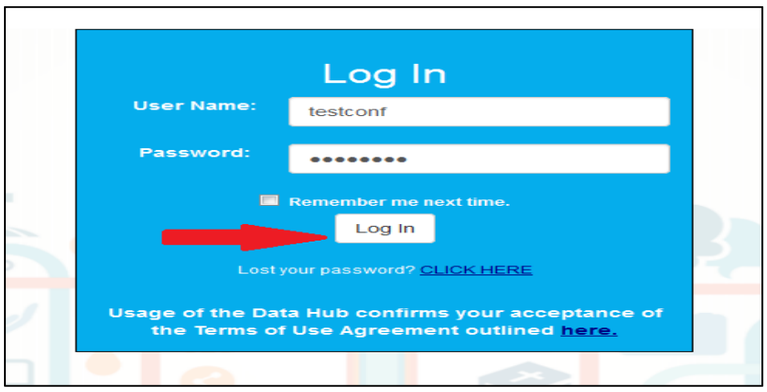
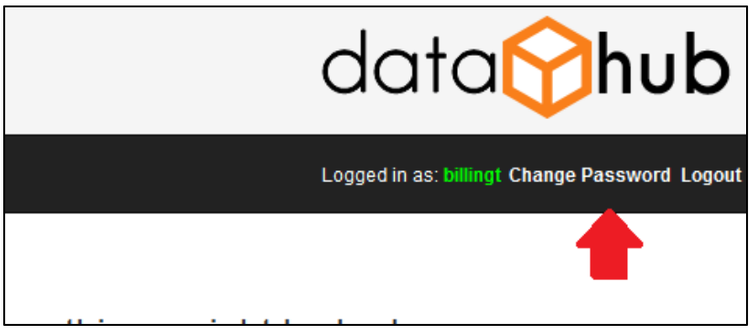
Logging into the Data Hub

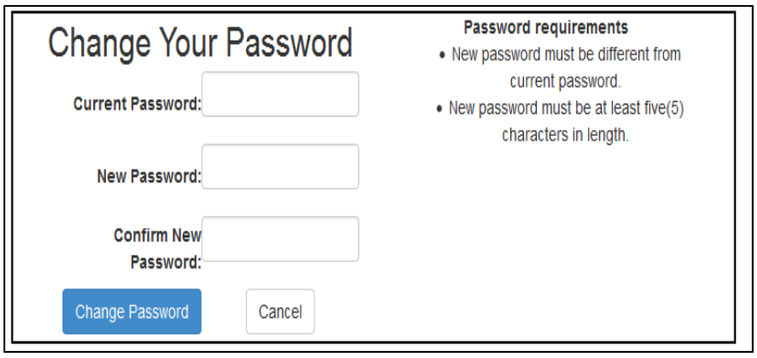
To log into the Data Hub system: Go to http://datahub.ucc.org .
Type in your **Username** and **Password** in the appropriate fields and click log in.



If this is your first time logging in, or your password has been reset, you are required to change your password. Under the Data Hub logo, click **Change Password**.



To Change your password: 1) Type in the current password, 2) type in a new password, and 3) confirm new password. Click **Change Password**.



If this is successful, congratulations your password has been changed!
Click – **Continue**
