

Welcome to NYE 2012!

Important Information

Isaiah 43:19 queries, "I am about to do a new thing; now it springs forth, do you not imagine it?" Youth have a pretty solid track record for being the drive for something new springing forth. From Johannesburg, South Africa to Chicago's south side, youth have been at the forefront of innovation, inspiration and imagination for generations and that has not changed for our still speaking youth. They are not waiting until tomorrow to start transforming the world; they are active and full of life, and are significant leaders in the wider church today.

Thank you for sharing in this witness and ministry. Thank you for being here on this journey. Thank you for your prayers—and keep them coming! In the collective spirit of One Church—we are because God is! Welcome to NYE 2012!
