

## Our churches invest in visions and dreams

Rock Spring Congregational UCC in Arlington, Virginia is a congregation excited to connect with the church of the present and dream with the church into the future.

Contributing to the larger church through the Strengthen the Church offering resonates deeply with the members of Rock Spring Congregational UCC. Rev. Dr. Kathy Dwyer, senior pastor, affirms that they are excited to see the programs coming from the Center for Progressive Renewal and the various out-of-the-box worship experiences created throughout our denomination.

“My hope is that we can create a movement that reclaims Christianity in a way that nurtures and emphasizes faith practices rather than beliefs,” Dwyer claims. Her vision of the future church promotes peace and justice and helps to nurture gifts in people of all ages.
